## Alliance Overview

Amadeus, a leading global technology and distribution partner to the travel industry, and Concur, a leading provider of on-demand employee spend management solutions, have entered into an alliance to bring key technologies together for a combined travel and expense management solution to extend their core offerings.

This agreement includes:

- Integration of travel bookings from Amadeus eTravel Management (AeTM) into Concur® Expense
- Unique integration of Amadeus core distribution technology into Concur® Cliqbook Travel – the first time Amadeus has provided this type of technology to a third party.

This extension of the companies' vision gives Concur and Amadeus customers even greater choice for integrated travel and expense management solutions (Amadeus eTravel Management integrated to Concur Expense or Concur® Travel & Expense). Through the strategic alliance, Concur and Amadeus continue their commitment to global and local market leadership and together, are setting the pace set a new level for providing global distribution and content.

### About Amadeus Technology

Amadeus is committed to ensuring that you remain at the forefront with an arsenal of the most innovative solutions for the travel industry. Seamless integration to Amadeus' core distribution technology means access to such powerful tools as Amadeus Master Pricer, the most revolutionary and comprehensive low fare search solution available in the international online travel industry, and Amadeus Ticket Changer, where users can service change requests anywhere in the world in a matter of seconds, with the right fare and the right penalty.

### About Amadeus

Amadeus is the chosen technology partner and transaction processor for the global travel and tourism industry. The company provides distribution and technology solutions to help its customers adapt, grow and succeed in the fast changing travel industry. Customer groups include travel providers (airlines, hotels, car rental companies, railway companies, ferry lines, cruise lines, insurance companies and tour operators), travel sellers (travel agencies) and travel buyers (corporations and travellers). Amadeus operates under a transaction-based business model that offers IT solutions to virtually all players in the travel industry. The Amadeus system processed more than 670 million billable travel transactions in 2009. Learn more at [www.amadeus.com/corporations](http://www.amadeus.com/corporations).
